

Torrance High School – Class of 2010

Senior Grad Night

What is Grad Night?

Grad Night was started several years ago by a senior parent that wanted to provide a safe and fun environment for the Senior Class to be together for one last time after graduation. It has proved to be a great, memorable experience for past seniors. We will be creating a “Mardi Gras” themed party with unlimited food, activities and supervision. The activities include things like Casino Tables, Laser Tag, Rock Climbing, Henna Tattoos, Tarot Card Reading, Karaoke / Video creation and a Hypnotist. Everything is included in the price of admission and it will be held in the Torrance High Gymnasium.
